

Curriculum Vitae

Personal Information

Name: Xiaowei Zheng

Name in Chinese: 郑小巍

Doctor's degree School: Soochow University

Tutor: Yonghong Zhang

Education: PhD

Email: zxw19921212@163.com

Specialty: Epidemiology and Health Statistics

Phone: +86-13033508353

Working address: Jiangnan University, 1800 Li-Hu Road, Binhu District, Wuxi, Jiangsu Province, 214122, China

Education: Soochow University, Suzhou, China

Sep.2018- June.2021

Studying for a doctor's degree

Major: Epidemiology and Health Statistics

Soochow University, Suzhou, China

Sep.2016-June.2018

Studying for a master's degree

Major: Epidemiology and Health Statistics

Bengbu Medical College, Bengbu, China

Sep.2011-June.2016

Bachelor of medicine

Major: Public health & preventive medicine

Work: Jiangnan university

July.2021-

Research Field

My research interest lies in cardiovascular and cerebrovascular diseases epidemiology, chronic disease epidemiology, epidemiology of aging, especially on primary and secondary prevention of ischemic stroke and hypertension, recognition and adverse outcomes in metabolic disease and aging.
